Acts

READING PLANS

Starting on April 11 we will be walking through the book of Acts in a series called “We Are The Church”.

This series will be covering the acts of the disciples and the creation of the first church. As we journey through this series we want to simultaneously read through the book of Acts to see exactly what happened when these followers of Jesus set out to change the world.

There are two reading plans for you to consider. The 46-day plan will be less reading each day with a challenging question to consider. The 30-day reading plan can be read through twice during our series. Choose either one; our hope is that by the end of this series you will have read the entire book of Acts.

Use the following tips to make the most of this plan:

- Set a regular time and place to meet with God that is free from distractions.
- Pray before you begin: “Lord, please speak to me through what I am about to read today.”
- Mark or highlight meaningful words or phrases that God brings to your attention.
- After finishing your reading, spend a couple of minutes in prayer asking God to show you how to respond to what He said to you.
- Journal a paragraph or two each day about what God said to you. Then review your journal entries weekly. Look for themes and ideas that have come up more than once. God often uses repetition to speak to us about our behavior, relationships, opportunities, etc.
