One Minute After I Die

Introduction:

People seem to gravitate to wonder what the afterlife is all about. A lot of what we think about the afterlife is influenced by our culture and television. We absorb those views and assume that is what the Bible probably says. Over the next 4 weeks, we are going to discuss what happens when we die, what are Heaven and Hell, and are we living in the end times through the lens of what the Bible says.

Big Statement:

What I believe about eternity, determines how I will live today.

Start Talking:

What did you grow up believing about life after death?

What is something Andy said that is influencing the way you are thinking about life after death?

Start Thinking:

Why do you think it is so easy to live most of life ignoring what happens after we die?

Read 2 Corinthians 5:1-10

What does this passage have to say about how we should live?

Start Sharing:

How do you already live like eternity matters? Are there any ways you are living like it doesn't?

What are some things you would love to be known for when you come to the end of your life?

What is one change you want to make to live with eternity in mind?

Start Praying:

God, thank You that this life is not the end. Thank You for making a way for us, through Jesus, to spend an eternal life with You. Holy Spirit, reveal to us the ways we are living with a short-term perspective. We want to do Your will here, while we're on earth. Teach us how to live with eternity in mind. In Jesus' name, AMEN.
